HELP THE PHYSICIAN

What Do We Offer?

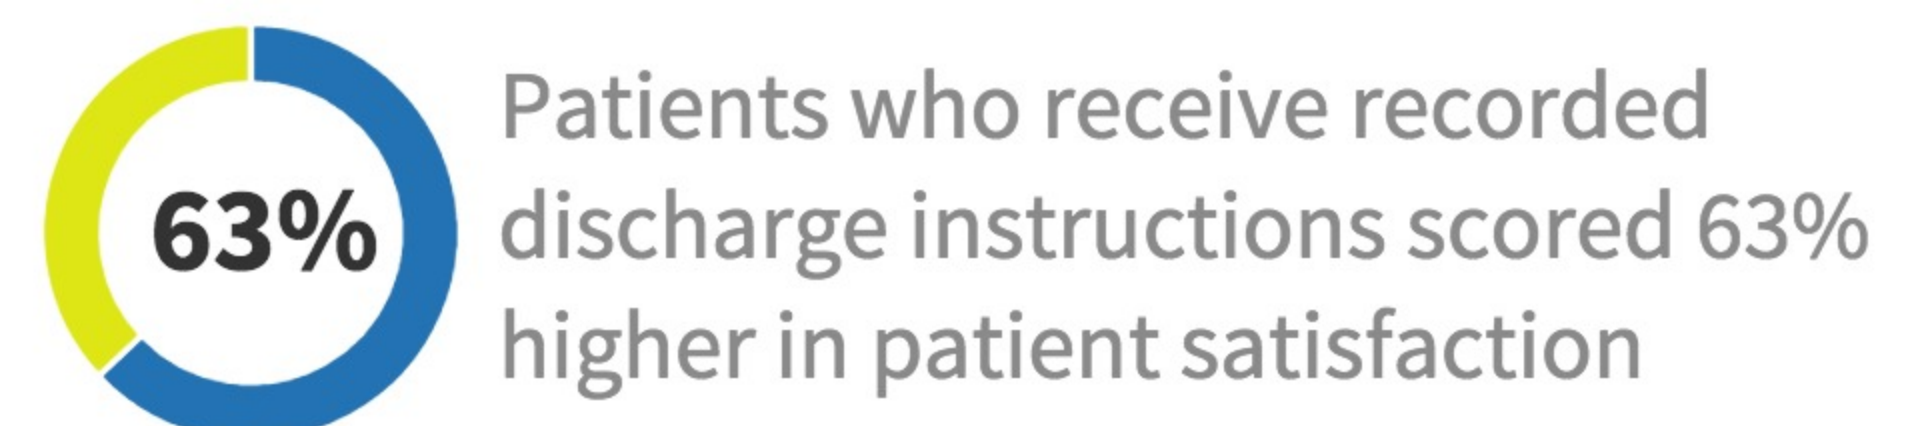

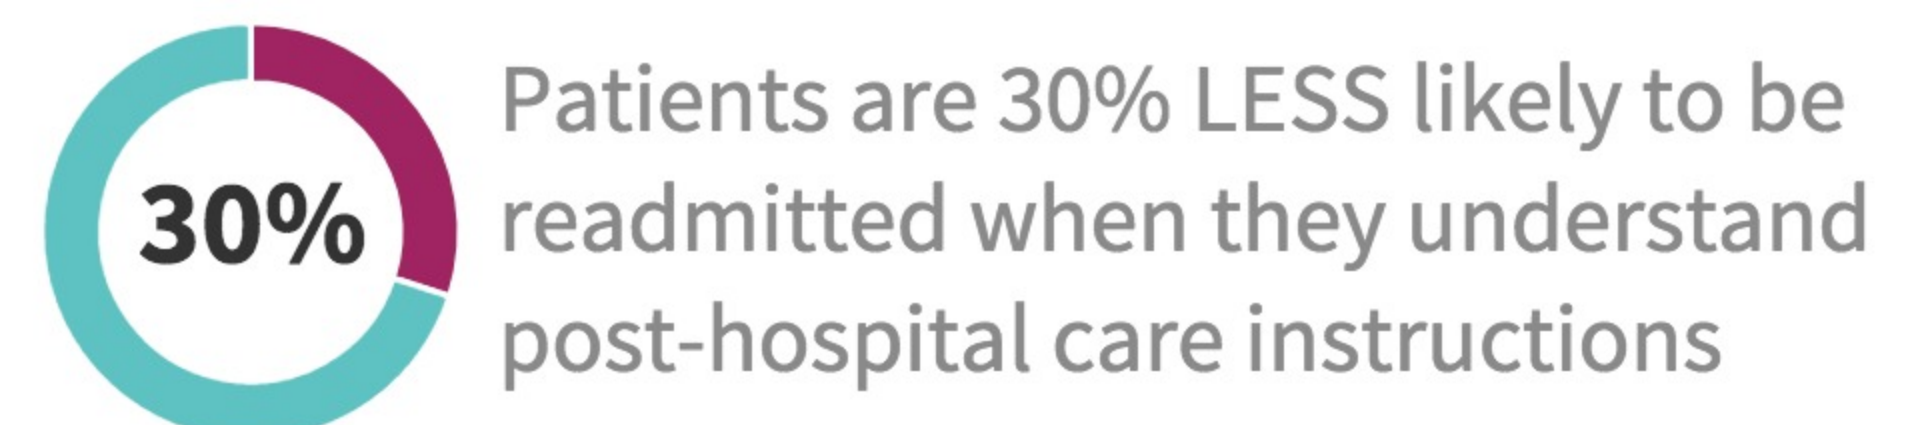

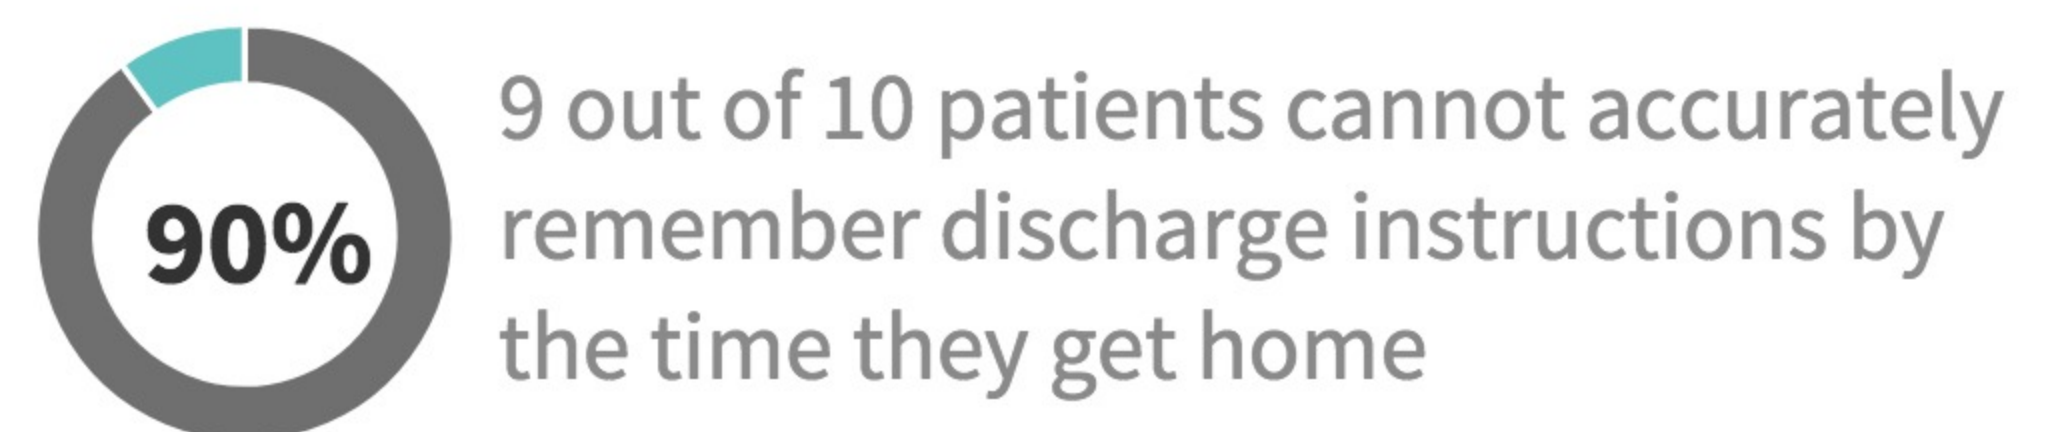

The Media Moiré **Discharge Video** system is a digital offering that allows for physicians to record their *specific* medical discharge instructions for their patients to use both in the office as well as at home at their leisure. It is customizable, personal, and can be used for all patients on a repeated basis.

Key Features

- ✓ Each discharge video can generally be shot in one day.
- ✓ The video can be delivered to the patient via any online option.
- ✓ Discharge videos can be easily modified over time if procedures are updated.

Testimonials

"...it [the video] saves them [the nurse] some of that time and groundwork..."

"...later on ... we can just turn the video on rather than starting from scratch."

- Erika P, MSN, RN, PCCN - Clinical Nurse Educator - Edward-Elmhurst Health

"The patients absolutely love the video!"

"The nurses...feel as though it [the video] has given them some time back to do the things they need to do to care for the patients."

- Trina P, RN, BSN, CCRNV - Clinical Coordinador, Cardiac Surgery - Edward-Elmhurst Health
